Please email your bid to [auction@unicornfolk.uk](mailto:auction@unicornfolk.uk) - an acknowledgement will be sent so please re-send if no acknowledgement received within 2 days. The [unicornfolk.uk](http://unicornfolk.uk) website will be regularly updated with the highest bid using a first name and the closing time for bids will be midnight on **Sunday 29 May 2022**. The starting bid is £300 and the buyer must be prepared to collect from Royston or pay all postage costs.

The entire winning bid will be donated to the [DEC Ukraine Humanitarian Appeal](#).

The description of the condition below is based on a brief visual inspection of each record and notes are provided where I have found some marks or possible scratches. I have avoided the term 'excellent' though some records have hardly been played. Generally, the records that I liked and played most were recorded onto cassette tape which was played instead though about 20 of these records belong to my wife. I have not researched whether any records are first pressings or have any unique or additional value.
